

TONY RULLI

Tony co-founded Intentional Spark, a digital advertising agency that helps business owners scale successful digital ad campaigns by focusing on their entire marketing funnel.

Along with his business partner and wife, they manage a remote team of 8 people with a special focus on Facebook and Instagram ads (but support all ad platforms).

They have worked with clients like Jasmine Star, ConvertKit, Acuity Scheduling, and many more.

A FEW WAYS TO CONNECT WITH TONY
